Officials call massacre apparent example of 'homegrown extremism'

**BY THE ASSOCIATED PRESS**  
**ORLANDO, Fla.** — The gunman whose attack on a gay nightclub left at least 49 victims dead appears to have been a "homegrown extremist" who espoused support for a jumble of often-conflicting Islamic radical groups, the White House and the FBI said Monday.  
 As Orlando mourned its dead with flowers, candles and vigils, counterterrorism investigators dug into the background of 29-year-old Omar Mateen for clues to why the American-born Muslim carried out the deadliest mass shooting in modern U.S. history.
